

## < Attention and Requests for Visitors >

■ Pets are not allowed.

### ■ Official Photography

Official photographers will be on site during the event to take photos for documentation purposes. The photos will be published in the media (including social media and the official website) published by Tourism EXPO Japan. Please note that the photos will not be used for any other purposes.

### ■ Media Coverage

A number of media will be visiting the exhibition during the event to cover and report on the event. If you are available to be interviewed, there is a possibility that you may be covered in the media. In addition to interviews, please be aware that you may be photographed or filmed in the exhibition hall.
